Naman Uttamchandani

Student

I am a computer science student, eager to learn. I am new to the industry and therefore have limited experience in it. But what I do have, discipline, ambition, drive to learn, and integrity, which I have gained through the various opportunities God has given me, allow me to excell and quickly adapt to any situation I am put in.

Work History / Organizational Positions

2021-11 - 2022-04

Third Cook

Pritchard Dining-Hall, Kelowna, B.C.

- Worked closely in teams of cooks to serve food to customers at the Pritchard dining hall. My position was the mediator between the kitchen and the customer, improving my listening and communication skills by interacting with customers every shift.
- Worked closely in a team to ensure maximum efficiency during peak hours. Learned to be productive under immense pressure, meeting customer demands.

2020-06 - 2021-06

Board Member

National Honor Society, Willemstad, Curacao

- Identified possible projects to incorporate which would benefit the community.
- Overall representative of the NHS board. Lead NHS meetings and was in close communication with the head of NHS and other board members to organize events.
- This position further improved my team working, leadership, and communication skills.

2020-01 - 2020-12

Committee of Adolescence

I.P.N.J., Willemstad, Curacao

- Lead the committee to incorporate and execute projects aimed at building the youth community at the church for the glorification of Jesus Christ.
- This position taught me a great deal about leading a group of people, working with other committees (teams), meeting dates and deadlines, all under the authority of God and for God.

Education

2022-09 - Current

Bachelor of Science: Computer Science

University of British Columbia - Vancouver, BC

2021-09 - 2022-04

Bachelor of Science

University of British Columbia - Kelowna, BC

- Dean's List
